

I and my family personally need that LPFM stations NOT be expanded to interfere with our current FM translator service. K-LOVE blesses me and my family and delivers one of the MOST important messages that can be provided to our home, that of the love of Jesus Christ. K-LOVE serves the local community in ways that cannot be imagined or explained. It provides peace and a wonderful message in time of turmoil. The effect on the local community if K-LOVE were to be displaced by an LPFM station would be one of a turning away from God, and further degradation of the morality of His people. The call for "freedom of the person" has compromised the integrity and morality of so many people in the last 35 years. Please do not further our country's demise by denying our access to K-LOVE.

Thank You
